Dear [REDACTED]

An investigation into your complaint that was reported on March 13, 2019, regarding the conduct of the Los Angeles Police Department, has been completed. The investigation has gone through several levels of review, including myself and the command staff of Internal Affairs Group. Your allegation that the Department assisted the residents of Venice in illegally placing planters on the sidewalk in violation of LAMC 56.11 and 56.12 has been classified as *Unfounded*, which means that based upon the preponderance of evidence standard, the investigation determined that the act alleged did not occur in the manner you described.

Thank you for bringing this matter to our attention. It is the goal of the Los Angeles Police Department to provide the highest level of quality service to every member of the community. Should you have any questions concerning this matter, please contact Sergeant Paul Aeschliman, Pacific Community Police Station, at (310) 482-6310.

Respectfully,

MICHEL R. MOORE
Chief of Police
